

Hello!

LEE

Wait till you see Baby Rose!

DOLORES

The stuff is here and it's mellow!

GUS

Oh, she's the sweetest thing. Come on in. Don't be bashful.  
*(She leads in BABY ROSE.)*

DOLORES

Hello there! Where's that big handsome Lee Calhoun they all told me about? The producer of the Calhoun Follies!

BABY ROSE

*(Pointing him out.)*  
There he is, darling.  
*(To LEE.)*  
Isn't she cute?

DOLORES

Oh, I've always wanted to meet a Southern aristocrat. I'll bet you have fried chicken every night.

BABY ROSE

*(Shakes her hand limply.)*  
Charmed.  
*(Turns away to MARSHALL.)*  
You can keep your forty-nine percent.

LEE

Oh, you remind me of all the handsome movie stars who used to support me in my Hollywood days.

BABY ROSE

Do you still live in Hollywood?

PETER

I-4-33

Oh, no. We moved East when I became passé – at the age of seven.

BABY ROSE

Don't you miss the West?

MARSHALL

No. I found everything I need in New York City.

BABY ROSE
